#nif In Association With **LST - LONDON SCHOOL OF TRENDS** Gives students **THE INTERNATIONAL EDGE**

Courses Offered

2 Years Super Specialisation In
Fashion Design / Interior Design

1/2/3 Years Certification Course
in Fashion Design / Interior Design

London School of Trends is a premier design school with rich experience in the design industry. LST believes in nurturing the talent and creativity of its student to bring out their maximum potential. Our teaching methodology maximizes student teacher interaction through project based assignments and practical hands on training, so students are prepared for a real world career in the fashion and interior industry.

Together **LST** and **NIF** take care to reach out to the candidates of foreign origin and ensure that they get the best Fashion and Interior training that a city like London has to offer, at a cost that is affordable. We understand student apprehensions and have designed our program to suit their educational needs and provide them a stable environment.
